Thank you for your inquiry about the Association.

The main aim of the Association is to provide a means of communication for the members of 6 Squadron past and present, including associates of 6 Squadron. Membership is open to all ranks past and present, families Worldwide who have supported 6 Sqn since 31 January 1914.

We welcome your application for membership. You will in future receive the quarterly magazine "Tin-opener" by email as a PDF document which is readable on any computer or tablet device. We also prefer to use email for communication with members rather than post. There is also a website sixsqnassociation.org.uk which is full of Squadron news and history, and this includes a secure area where members can download past editions of Tin-opener. You will also find us on [Facebook](https://www.facebook.com/sixsqnassociation) if you search for Six Squadron Association. We do still produce print copies of Tin-opener for those members who have no internet access or who prefer the paper version, however we are trying to keep this to a minimum as print and distribution costs are high. Please state your preference below.
